

Nuclear Africa 2017 Conference Announcement

Nuclear Africa 2017 – the South African nuclear power conference

On behalf of the conference director and CEO of Nuclear Africa, Dr Kelvin Kemm, you are cordially invited to attend and participate at Nuclear Africa 2017, the annual nuclear power conference in South Africa.

International Collaboration in Nuclear

Dates: 29 – 31 March 2017

Venue: <http://www.shonalanga.co.za/index.php>

Website: <http://www.nuclearafrica.co.za/events.htm>

For conference details and delegates registration please email: exec@nuclearafrica.co.za

The Minister of Energy the Hon. Tina Joemat-Petterson has been invited as keynote speaker.

Other speakers of stature in the international nuclear power spectrum include:

- **Mrs Agneta Rising; DG: World Nuclear Association (WNA)**
- **Mr Tim Yeo; Chair: New Nuclear Watch Europe (NNWE)**
- **Mr Kirk Schnoebelen; Head of Sales: URENCO Enrichment Company Limited, UK**
- **Mr Phumzile Tshelane; CEO of Necsa**
- **Mr Peter Prozesky; CEO of The World Association of Nuclear Operators (WANO)**
- **Dr Wolsey Barnard; CEO: The National Radioactive Waste Disposal Institute (NRWDI)**
- **Dr Geoffrey Rothwell of OECD/Nuclear Energy Agency (NEA)**

There are also confirmed speakers from the large foreign vendor companies.

Nuclear Africa 2017 is aimed at the gathering of people of consequence, related to the advancement of the South African nuclear power programme.

The first two days of the conference are for speaker presentations plus discussion. The third day is a networking day, during which delegates are encouraged to meet speakers and other dignitaries who will be present. Number of foreign and local companies will be present.
